## What is Accreditation

The Pennsylvania Chiefs of Police Association introduced the F Accreditation Program to the Commonwealth in July 2001. Since enrolled and 59 agencies currently have attained accredited statu

Accreditation is a progressive and time-proven way of helping ins their overall performance. The cornerstone of this strategy lies in containing a clear statement of professional objectives. Participat conduct a thorough analysis to determine how existing operations objectives. When the procedures are in place, a team of indepen to verify that all applicable standards have been successfully impl culminates with a decision by an authoritative body that the institu

The Pennsylvania Law Enforcement Accreditation Program wa professional law enforcement executives to provide a reasonable professionalization of law enforcement agencies within the C philosophy of the program is to have a user-friendly undertakin result in a "success" oriented outcome.

Your law enforcement peers want the program to be consistent a sizes of law enforcement agencies within Pennsylvania. That per development of the program and in its implementation. Whether 100 members, or a cadre of 1000, you and your department c complete the Pennsylvania Law Enforcement Accreditation Progr of Police Association.

Of course there will be complex work involved, but that is true of worth accomplishing. However, the Commission members, th accreditation coalition support groups in various parts of the state your personnel with the process leading to accredited status an certification.

It is the goal of the Pennsylvania Law Enforcement Accreditat Pennsylvania-specific, and user-friendly. We will continue to e purposes for the law enforcement agencies of the Commonwealth
